**Notes:**

This pattern is computer created from scans of original antique ephemera. It does have some confetti stitches that are necessary for definition.

This pattern does not contain any fractional stitches and does not need backstitching. I do not blend colors.

Use 2 strands of floss to stitch the pattern depending on the cloth count you are using.

To work the pattern start in the upper left hand square and work the complete 10 x 10 square. Move on to the next 10 x 10 and so on until the pattern is complete.

We would really like to hear from you about your progress. When you have completed the pattern we would love to display it on our website. I would also like to offer you a free pattern for the use of your image display
